

TR Driver Training will be following the below protocols working in the **Covid-19 Protection framework settings**; Our priority is ensuring everyone's safety.

Protocol for COVID-19 Notice for Trainees

- Masks are a personal choice for trainees and trainers for all in-class training.
- Masks are mandatory for trainees and trainers throughout the duration of in-cab training.
- Anyone who has been identified as a household contact should not attend training within the 7-day isolation period from the contacts symptoms or positive test result.
- Anyone who is presenting Covid symptoms cannot attend training. This is key to everyone's well-being. If any trainee on a course presents any symptoms, the trainer is required to discontinue their attendance on the course immediately.
- We have put in place an increased cleaning and sanitising plan; shared surfaces and equipment will be regularly sanitized.
- Trainers will follow the standard operating procedure for cleaning our vehicles before and after hires.

Thank you for your support in helping us carry out these practices.
